Choose from over 1200 online merchants, including Wal-Mart, Target, Macy's, Barnes and Noble, and many more
A portion of each purchase will be donated to your school.

How Does It Work?

Anyone can access the electronic mall at
www.fcs.fundlinkllc.com.

- Shoppers choose a store.
- Shoppers are then prompted to select a beneficiary category for donation (High Schools, Elementary Schools, etc.)
- A drop down menu appears, prompting shoppers to select the name of a school as a specific beneficiary.
- The browser then moves to the store already selected, and the customer may begin shopping. At this point, shoppers are moved to the normal store web site.
- Upon check-out a donation is designated for the chosen school. (This will not be indicated onscreen.)
- Use the "Back" button at the top left corner of the screen to return to the mall.
- When you are finished, bookmark the mall for future use.
- Next time you enter the mall, a list of previous beneficiaries will appear.
