Dear Friends,

Since 1986 the Fulton Education Foundation has funded over \$2,500,000 in grants to Fulton County Schools. Through these innovative teaching grants the Foundation has helped thousands of children learn to read, discover the miracles of science, made education more accessible for special needs students, and brought learning to life. The 'Fore' Kids Golf Classic is our yearly event to raise the funds to support this program.

This year we are very excited to be utilizing both the Lakeside and Creekside courses at The Golf Club of Georgia. It is one of the finest courses in the southeast.

We have many opportunities for you to support this event. Please read over the information in this brochure. A committee member or Foundation board member will be contacting you to discuss your participation.

Sincerely,

Brian Afanador
Co-Chairman
