**Helping Hand Visitation and Observation Program**

The Georgia Chapter of Phi Beta Mu International Bandmasters Fraternity offers a program in the state of Georgia to provide assistance to Band Directors with limited teaching experience.

Band Directors who are members of Phi beta Mu offer their time and talent to improve music education in Georgia. This service will be provided at no cost to the local school or school system (this is a free service with no strings attached).

Eligibility and guidelines for requesting the service:

1. Completion of the attached form
2. Mail completed form to Phi Beta Mu President
3. A Phi Beta Mu member will be assigned to spend the entire day with the requesting teacher.
4. This service is free. All expenses are incurred by the visiting mentor teacher.
5. The visiting mentor teacher will observe all aspects of the program and offer suggestions for improvement.
