New Prospect Elementary School Mission Statement

Our mission is to develop a cooperative relationship among school, home and community. We will provide a supportive, safe and nurturing environment which values diversity among students and staff.

We require teacher excellence, and advocate the use of varied teaching strategies to accommodate Individual learning styles and enhance student achievement. Furthermore, we will cultivate Lifelong skills to prepare our students for success in an ever-changing world.

New Prospect Elementary School Motto

Students...Parents...Teachers...Preparing Today for the Prospects of Tomorrow

Charlia Faulkner, Principal
10/29/2009

I treat everyone respectfully!
No hurtful act will come from me.

WOW! WHAT A GREAT DAY FOR A PARADE!

The weather was perfect, the children were dressed to impress and displayed their best vocabulary words.

Each student was either given or able to select a word to bring to life. While over 600 children thoroughly enjoyed creating a physical description for their word, the New Prospect staff created the vocabulary parade to help each student not only learn their word, but the words of other students.

Word knowledge includes knowing the definition and spelling of the word, as well as, the part of speech. As students strolled throughout the campus, they were able to see hundreds of words illustrated by other students.

A huge thank you to our students, parents and staff, especially Laurie Ferguson, a 4th grade teacher and parade organizer, for your participation in this school wide event.

PLEASE SAVE THE DATE

SECOND ANUUAL INTERNATIONAL NIGHT -WEDNESDAY, FEBRUARY 10, 2010.

SCHOLASTIC BOOK FAIR

Our Scholastic Book Fair was a huge success because of the amazing support from our students, parents, teachers, and administration!

Over two hundred Book Fair bucks were purchased on behalf of the teachers for their classroom libraries, and the proceeds from the fair will be used to enhance the media center book collections.

Thank you,

Annabella Range, Katherine Wickliffe and the Book Fair committee members, Louise Meeker, Karen Tantillo, Michele Colturi, and Beth Cravotta.

ATTENTION ALL 4TH AND 5TH GRADE MATH LEAGUE PARTICIPANTS

Competition begins promptly at 7:20AM tomorrow morning.

We wish to send a big Thank You to the 4th and 5th grade parents for donating food and items for the Teacher and Staff Appreciation Luncheon on Oct. 23rd. There was a beautiful array of delicious entrees, salads and desserts.

Everyone appreciated the food and the effort that was made for the luncheon. We really have a talented group of cooks!

We'd also like to say "Thank you" to all of the parents that came in to help at the luncheon, your time was truly appreciated. We hope you had fun as well!

If anyone sent in items in a non disposable dish, please be sure to pick up your dish from the PTA office. After Friday all items will be moved to the cabinets in the Teacher Lounge, off of the cafeteria.

Thank you!

Registration for the National Math

Competition

Grades 2-5

Registration for the ONLINE Math League was sent home today with your child's Thursday Papers.

We continue to look for ways to challenge and stir up excitement in our students when we speak of mathematics. In supporting the philosophy that students love friendly competitions, I believe we have found an interesting way for our students to challenge themselves individually, by grade level, and even competitions with students living outside the state of Georgia. Students in grades 2-5 are invited to participate in a series of online NATIONAL math competitions. For more information please refer to your child's registration form. **Registration forms are due back to school by November 6th.**

* This does not conflict with the Principal's math league for 4th and 5th grade students.

Congratulations to Ms Cahill's Second Grade Class!!

They won a nugget party from Chick-fil-a for having the most participation at last week's fundraiser.

Thank you to all those who attended and teacher volunteers!

We look forward to seeing you in December for the next Chick-fil-a night!

READ! READ! READ!

The **Jacket 2 Jacket** reading program has begun. All students, kindergarten through 5th grade can record their pages read from October 9th-November 9th.

Our big fundraiser this year will be the **BOOSTER-THON Fun Run!** It is an extremely fun event for the children, in which everyone participates in raising money for our school. The event, and all the activities leading up to it, fully engage every student, and continuously promote three key values: Fitness, Education and Character. The kids get so much out of it, as will New Prospect. We're very pleased to announce that our goal is to raise enough money to create a dedicated **SCIENCE LAB** – which will be used by all grades and classes!!
